

YASHANT SHARMA

Stakeholder Strategy • AI-Enabled Programmes • Cross-Sector Partnerships

New Delhi, India | +91 7351965777 | yashant.sharma@alumni.ashoka.edu.in | meet-yashant.vercel.app

EXPERIENCE

PricewaterhouseCoopers (PwC), New Delhi Feb 2025 – Present

Senior Consultant, Management Consulting

- Led a multi-stakeholder PMU for (a University of Delhi college) centenary initiative, managing a 23,000+ contact database spanning UHNI/HNI alumni, government officials, corporate partners, and senior institutional leadership — including direct coordination with the SRCC Governing Body.
- Managed UHNI/HNI engagement across a 250+ alumni pipeline; oversaw a mentorship programme connecting 150+ students across 48 consecutive cohorts; ran outreach campaigns to identify scholars for knowledge-sharing guest lectures.
- Authored two government-facing proposals: a blueprint for South Asia's first dedicated tourism university (prepared for India's Union Minister of Tourism) and a PPP-model study for 20 IIITs under GoI — covering benchmarking, evidence-based policy narratives, and engagement strategy.
- Produced 5 editions of the quarterly alumni newsletter; led design of fundraising and brand collateral; launched SRCC's official merchandise store on schedule as part of the centenary repositioning.

Farm To Folks, Uttarakhand Aug 2022 – Feb 2025

Founder, Precision Agriculture Social Enterprise (full-time from Feb 2023)

- Founded a D2C agritech venture; validated through 3 MVP pilots, secured institutional credit, and was selected for the RKVY-RAFTAAR Agri-Business Incubator, Ministry of Agriculture & Farmers' Welfare, GoI (mentors: IIM A, B, C).
- Presented field research to Uttarakhand's Chief Minister and senior IAS bureaucrats at a government innovation showcase; reached the top 90 of 16,000+ startups at Tata Social Enterprise Challenge, IIM Calcutta; won Best Pitch at OP Jindal's Innovators LaunchPad.

Wisdom Tree Consulting, Gurugram Mar – Oct 2024

Senior Consultant, Product (Freelance, concurrent with Farm To Folks)

- Grew client engagement 25% on the Career Accelerator Program through AI-assisted, feedback-driven product iteration; built a corporate-academia exchange platform across India, the US, and Canada, securing global internship placements.

Jamboree Education Pvt. Ltd., New Delhi Aug 2020 – Feb 2023

Program Manager, MBA/MS University Admissions

- Managed end-to-end admissions for 330+ clients targeting Oxford, Cambridge, Columbia, LBS, and HEC; improved success rates 10% with a 4.6/5 client satisfaction score and zero missed deadlines.

EDUCATION & CREDENTIALS

Ashoka University — BA (Honours) Liberal Arts; Psychology (Neuroscience), Minor Env. Studies 2017–2020

EVS Fellowship 2019 — original research on ecological impact of airports in eco-sensitive zones

Executive Programmes: University of Oxford, Smith School (In-person, 2019)— Environment, Economy & Public Policy (85%) | U. of Chicago, Harris School (Hybrid, 2024) — Social Impact & Public Policy | Harvard Kennedy School (Open Course, 2026) *The Science & Implications of Generative AI — LLMs, Prompt Engineering, AI Alignment, Societal Risk & Policy*

Certifications (2026):

- Career Essentials in Generative AI — Microsoft & LinkedIn
- Lean Six Sigma Foundations
- Managing Project Stakeholders
- AI Literacy for Everyone
- What is Generative AI?

AI PROOF-OF-WORK

- Portfolio site (meet-yashant.vercel.app) designed and deployed end-to-end via prompt engineering alone — no prior coding background; demonstrates ability to brief, iterate, and ship production-grade digital products entirely through generative AI workflows.
- Produced a video draft of an original screenplay on the life of Ravana using Google's LLM for narrative generation and AI-assisted video production (personal creative project).
- Designed and deployed 4 custom chat agents: a profile Q&A agent for resume and interview contexts; a business development research assistant; a global education-sector news monitor; and a client and manager persona simulator for consulting preparation.
